**Choose a valance style and binding below**

## Valance Styles

Standard valance styles are listed here. Some styles may vary depending on the pattern and where the stripes fall. If a custom valance is required, include a well-dimensioned sketch with the order as well as instructions on style. Our standard valance is "E", if no valance style is specified, we use "E".

**BINDING**

## CHOOSE A BINDING COLOR FOR THE VALANCE

Colori e numerazioni sono identici alle tinte unite del Tempotest | Coloris et numération sont les mêmes que les unis du Tempotest

Colours and colour references correspond exactly to the Tempotest plains range | Die Farben bzw. die Farbnummer stimmen mit den Tempotest Uni-Farben überein

Colores y numeración son iguales que los lisos del Tempotest
